

SPIRITUAL ADOPTION SIGN-UP

Begins next weekend January 19 & 20, 2019

Roe v. Wade - January 22, 1973 - 46th Anniversary of Legalization of Abortion

What is the “Spiritual Adoption” program?

It is very simple. Participants in the Spiritual Adoption program pledge to pray for nine months for a baby in danger of abortion. While this child will remain unknown to his or her ‘spiritual parent’ God knows who the child is. Many have found that naming ‘their child’ helps to keep them focused on the reality that their prayers are helping to save a particular baby from abortion, while also giving the baby the humanity that he/she deserves.

The purpose of the Spiritual Adoption program is threefold:

1. Encourage prayer for those contemplating abortion that they will respond to God’s grace and welcome their child into life.
2. Educate adults and children about the development of the pre-born child.
3. Help pregnant mothers who are in need.

How do I get started?

Go to the Respect Life table in the narthex and fill out a Spiritual Adoption card with your name, email or home address and phone number. On the card there is a space to write in the name you wish to give your ‘adopted baby’. Put the card in the container. Take a prayer card and pray for your baby for nine months. We will pin your baby’s name on the “tree of life” and send you monthly updates on the growth of your baby. After nine months a baby shower will be held for the birth of these Spiritually Adopted Babies and the items donated to Catholic Charities and Mother and Unborn Baby Care.

Who benefits from the Spiritual Adoption program?

Everyone! Although we can’t “see” the particular effects of prayer, we know through Scripture that God wants us to pray, and we know by faith that he answers all prayers. The educational aspect of the program benefits adults and children. It is a marvelous thing to be aware of the physical development of a child in the mother’s womb. By Spiritually Adopting a baby you will literally be saving a life!
